

RH Markinvest Holding BV

Mr. Robert Hoebée, Director/Owner, undertakes Industrial Marketing- Sales- Technical Management & Consultancy Services for OEM companies, requiring temporary, but “immediate, experienced assistance” for Marketing-, Sales-, Innovation- or Technical Management during short to longer periods (one day - some years at a very competitive rate)

ITER-CADARACHE and Nuclear Power Sector:

Commercial Support for Dutch companies:

To assist Dutch companies in the French language during their preparations for tendering or for direct sales meetings and activities.

Being Electro Engineer with Nijenrode International Business University Education, I have long time experience in General- Sales- and Technical Management for OEM industries.

For industries active in a high tech environment, such as in nuclear-, space-, off shore-, electronic- and electric power sectors, I offer a wide range of Interim Management services and Consultancy Services since 1996.
